The Vision of Candor:

Candor School aspires to nurture young adults who will be catalysts for positive change both nationally and internationally; and who will ensure the protection of the environment, and the preservation of ethical and moral values in an age of constant social, political, economic, technological and environmental changes. The vision will be articulated through the core values of

Love of Learning through life long enquiry

Respect for diversity of people, faith, culture and ideas

Concern for community at all levels

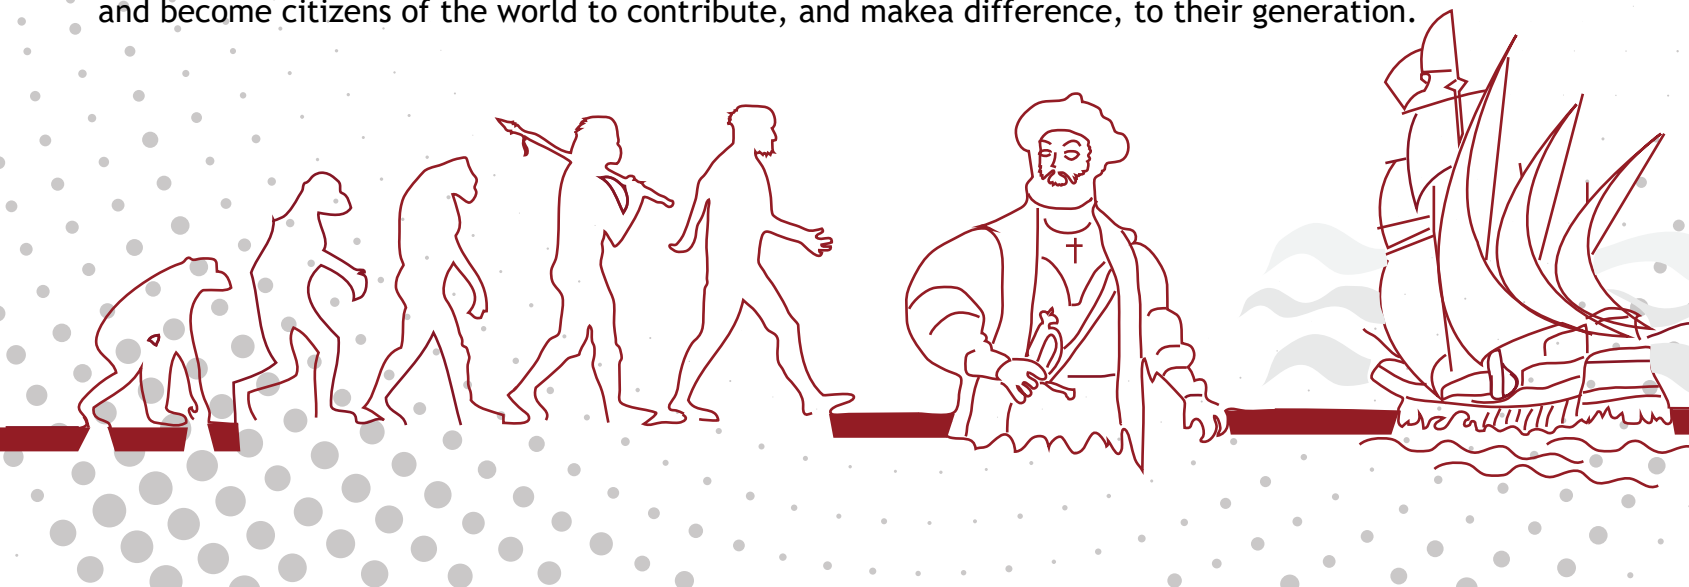

Integrity of thought, speech and actions

Openness to adopting the best models

Transparency of standards and practices

Mission Statement of Candor:

Candor School aims, to nurture lifelong learners, who, through respect and intercultural understanding, technology, creativity, collaboration and an active engagement in community service, and become citizens of the world to contribute, and make a difference, to their generation.

CANDOR is an authorized school for International Baccalaureate and Cambridge Programme.

Primary Years Programme (IB-PYP)

The PYP focuses on the development of the whole child as an inquirer, both in school and in the world beyond. The program delivers excellent outcome by providing an education that is engaging, relevant, challenging and significant.

Special Educational Needs Programme

Middle School (Grades 6-10)

The curricula for Grades 6-10 is drawn up under the Cambridge Syllabus. From Grades 6 to 8, students follow the Cambridge Lower Secondary Syllabus. Thereafter, in Grades 9 and 10, students follow the Cambridge Upper Secondary Syllabus, especially the International General Certificate of Secondary Education (IGCSE) stream. Students take their IGCSE exam at the end of Grade 10, an important milestone in their education.

High School (Grades 11 - 12)

For Grades 11 & 12, Candor offers a choice between the International Baccalaureate Diploma Programme (IBDP), and the Cambridge AS & A level Programmes. Top universities in India and around the world prefer students who score well in IB or Cambridge exams. Successful candidates may complete university studies in less time than their peers who have studied an alternate university curriculum.

IBDP students are required to choose one subject from each of the Subject Groups 1 - 5. It is not compulsory to choose a subject from Group 6. In case a student is not choosing a subject from Group 6, he or she can choose the sixth subject from any of the other subject groups (preferably Group 3 or 4).

1. Studies in Language and Literature (English)
2. Language Acquisition (Ab initio French / French B
Ab initio Spanish / Spanish B / Ab initio German / Hindi B)
3. Individuals and Societies (History, Economics, Business Management, Psychology, Digital Society, Environmental Systems and Societies)
4. Sciences (Biology, Chemistry, Physics, Environmental Systems and Societies, and Computer Science)
5. Mathematics (Mathematics Analysis and Approaches & Mathematics Applications and Interpretation)
6. The Arts (Visual Arts, and Theater)

AS & A Level Students will choose a minimum of five subjects and a maximum of six subjects from the five 'Subject Blocks'. In addition, AICE students have to study a minimum of one subject from each group - L, MS, C, and A.

1. English Language (L) (AS) and Global Perspectives and Research (C)
2. Mathematics (MS), History (AH), and Music (AH)
3. Physics (MS), Economics (AH), and Psychology (MS/AH)
4. Chemistry (MS), Business (AH), and Art & Design (AH)
5. English Literature, Biology (MS), Computer Science (MS), and Accounting (AH)

Boarding at Candor

Candor offers an on-campus residential facility, with both Weekly and Regular boarding, for students Grade 5 to Grade 12. Weekly boarders reside at school from Monday to Friday and return home for the weekends, while regular boarders live on campus through the academic year.

The hostels are spacious, comfortable, and are allocated on a shared basis (two to three per room) to encourage socialization, emotional and mental well-being. Each residential facility also houses a TV room and a common study area; dinner is served in the dining hall, which offers healthy and in-house cooked meals, with a varied menu to cater to International and Indian boarding residents.
