About Candor:

Candor International School was launched in August 2011, nestled in 25 acres of prime land in the south of Bangalore, between Bannerghatta and Electronics City. The location allows for easy access to popular residential areas while at the same time maintaining an atmosphere of serenity and calm.

Curriculum:

Candor International School offers an international education that prepares our students for an ever-smaller world. Consequently, we offer purely international syllabi. Candor's credentials include authorization to deliver both the International Baccalaureate program (for Grades 1 to 5 and Grades 11 to 12) and the Cambridge curricula (for Grades 6 to 12)

Faculty:

Majority of our staff are Indians, and we also have faculty from Spain and other foreign countries. Our staff truly is one of our biggest strength, each bringing with them their own position experience, knowledge, culture and tradition.

Calendar:

Calendar year divided into two semesters. The first semester begins in mid of July. We close Christmas for two weeks between December and January. The second semester runs from January to May.

Enrollment:

Total enrollment for Candor International School for the year 2024-25 is 1000+ out of which 300 are seniors.

Graduating Class size

Program	Graduating class size
International Baccalaureate - Senior	50
Cambridge A Level	30

GRADING POLICY

Candor offers no class rank/GPA for its seniors. We know of no weighting system that would account for the high degree of transience in an international school. The transcripts coupled with the statistics included in the profile offer a good indication of each student's actual achievement and ability.
